MEMPHIS APPEAL

THURSDAY MORNING, : SEPT. 30, 1869.

NEWSPAPER SALES. On the 31st of March last, the closing day of what newspaper men all concede to be the busiest quarter of the year, returns were made by the several newspalowing result:

THE Board of Aldermen have de-

day as to the disposition of the city stock in the Memphis and Little Rock Railroad. It seems to be a determined fact that this stock must be sold in order that the city may be relieved of much if not all of the in- to have, reduced the national debt debtedness that now weighs her down like an incubus and night-mare. Were it otherwise we, up bonds of the Government to the as in times past, would oppose to the amount of forty millions by paying donment. bitter end its sale to any persons, be they who they may. But we are satisfied, from what we read in the proedings of the Board and what we at little more than twenty-five mill- of his noble character, "then we shall hear from the lips of reputable mem- ions in greenbacks, and through him bers of the Board themselves, as well sold them back again to the Governbers of the Board themselves, as well as from others of the city officers, that this stock must be sold, in order that the city may be relieved of her disa
sold them back again to the Government of the Govern the city may be relieved of her disa-interest at six per cent., which they bilities and be put upon a footing have before received in gold. If the whence she may take a fresh start | Government has anything to brag on and, under more promising impetus, in all this trading of Boutwell, we enter upon a career of prosperity and freedom from the entanglements that well satisfied. He proposes now to mounted only thirty-one guns, and the are and have been her bane and curse. buy another batch of four millions at She must be saved from exorbitant sixteen and a half per cent., or a preshaves of twenty and thirty per cent. from the face of her paper, and such rates of interest as two-and-a-half per cent. per month. She must be put in a condition where she will be able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to command instead of being controlled by the property own-able to c ers and others among her a loss to see a good reason why he ers and others among her citizens. If it is, as we are pretty well satisfied it is, necessary to sell her rail-road stock to place her in this independent position, then we say, sell, and sell to the highest bidder, to the party or parties who will pay most party or parties who will pay most ready cash, and who at the same time will give the necessary guarantees to what a vast service it must be to the

truth of their statements. And it is also a hazardous venture for two partisans to testify independently in relation to the lation to the same facts. A govern-ment officer sent to investigate certain paratively, even they are intelligent, defi-cleanly and obedient. We might infer from this, the probable excellence of sertroubles in Hancock county, Georgia, in his report says:

vants drawn from a superior class, and trained in their duties. But it is not left to be a matter of inference. Confessedly

colored men for the purpose of securing their share of the crops, and that to this

said, likely to lose the greater portion of their, at best, scanty cotton crop for want of laborers to pick their cotton.

This county has the unenviable notoriety of being headquarters of Ku-Klux courselves with servants of this class (and

esperadoes.

In the counties not infested by these umn a means whereby it may be done by villains laborers are plenty. This is as we expected, and the form of revenge being taken by the colored men, in leaving the mestic boon. county, is right. The Augusta Chronicle and Sentine

comments as follows on these two inconsistent statements referring to the Young American cotemporaries would same section and people:

It is very clear that either the state-

THE Knoxville Press and Heraid the right of regulating our own affairs, that that make that make the control of on the streets that the decline of who claimed to have vanquished us. BRIGWNLOW'S health had been quite marked. He had been confined to his bed for several days. But the education of a people to attempt the street has any particular change in billy shows any particular change in the streets that the decline of the vanquished us. Violent opposition would be impracticable but endurance would be possible and marked. He had been confined to his bed for several days. But the education of a people to attempt the sham of self-government at the dictation of the vanquishers! Such a Government of the vanquishers! Such a Government would be theirs, and yet they would force us to declare it to be oursed paradox at

FORNEY'S Washington Chronicle of Monday says: "Secretary BOUTWELL has authorized Gen. BUTTERFIELD, have but imperfectly sketched, Mr. Ste-Assistant United States Treasurer at New York, to sell \$1,000,000 in gold every Tuesday and Friday till November 1st, commencing on the Special notices, third page, 10 cents per line York to purchase \$2,000,000 of bonds each insertion. nents, \$5 for first, and \$4 for every Wednesday until November

> 29, and assures him a large audience and respectful hearing. No doubt remains that KELLOGO is overboard. He can't get a genteel Mississippi nigger" to vote for him.

per concerns of this city, showing the foi- ten hand planter can hardly afford to in the South. Among the missing their cotton separated from the seed, and grand-daughter of MARY ANNES termined to come to a conclusion toready for market. Small farms may LEY. We subjoin the following in do for vegetables, but not in this quar- teresting statement suggested by this ter for cotton, and hardly for corn and loss, which is taken from the Augusta

MR. SECRETARY BOUTWELL claims

hundred thousand dollars in cash, without the rebate of one cont. If she does not need to sell the stock at all. Manatter of interest to housekeepers as matter of interest to housekeepers as well as planters. Even the "coolie" class of the Chinese are pronounced in thirty, sixty and ninety days. Of these offers and properties the best of all servants in the world. these offers, under all the circumstan- the best of all servants in the world, upon its time-worn surface those simp ces, there can be but little hesitation We take the following from the San in making choice. The city being Francisco Times, published, it must be forced to sell her stock, she must sell remembered, in a city already as well this city; what would they not give for all cash, otherwise she must not advised by experience on this subject bears the name at the head of this article sell at all. If she fails now to sell, it as Boston is on the subject of its own will be taken for a confession by press "help." Probably Mr. K. can supply and public that there is no pressing, any class desired. The Times says: and, therefore, no possible future necessity for selling.

The majority of our people may no know that nearly all the laboring Chine who have come among us as yet, below to the lowest class or "coolies." At hou It is unsafe for those to be reckless they are a class apart, and are looked upon as little more than beasts of burden. The house servants or "boys," or nurses After careful inquiry, it is my firm conviction that the white citizens in the vicinity adjoining Hancock and Greene counties are determined to drive away the colored men for the purpose of securing their share of the crops, and that to this end a great many outrages and murders have been committed, and that no colored man can seems justice from the courts in the neighborhood.

Agents in a secure of the crops, and that no colored years. The house boys are quick and therough with their work, perfect as the neighborhood. And the Radical newspaper which contains his report says editorially in the same paper:

The planters in Warren county are, it is said, likely to lose the greater portion of their, at best, scanty cotion crop for want

THERE IS ONE ALEXANDER H. STEclass among the "old fossils," but It is very clear that either the statement of the officer or the editor is faise. One says the negroes have been driven off by the planters, who thus secure the negroes share of the crop; the other says the negroes leave to revenge themselves. Having recently paid him a visit, the properties whites.

the negroes leave to revenge themselves upon the whites.

We have the best reasons for saying that both statements are untrue. No same man can believe that planters would drive off their labor at a time when it is more indispensable and more valuable than at any other period of she year, or that the negroes themselves would, be any considerable extent, leave voluntarily and abandon their shares of the rope.

When falsehoods are intended to accomplish a given result, they should not only be consistent with each other, but be consistent also with aurrounding circumstances and facts. The above are wanting in both particulars.

**CALLED meeting of the Chickasaw Jocksy Club will be hothed at the Overnoon sternoon experiments would be carried and passives. It is not take any public part in the so-called Reconstruction in the course for him to pursue, inasamech as no root could be accomplished otherwise. The fall of the hander of Composition also with aurrounding circumstances and facts. The above are wanting in both particulars.

his condition, and that he confidently expects to resume his sent in the Senate in December.

Senate in December.

We would assume the responsibility. How would assume the responsibility. How would assume the responsibility.

phens thought, and many persons agreed with him, that masterly inactivity was indeed the only chance for the preserva-tion intact of our self-respect.

Mr. Stephens is still of the opinion that passive conduct is the better course. That vember 1st, commencing on the 2sth instant. He has also authorized the Assistant Treasurer at New York to purchase \$2,000,000 of bonds every Wednesday until November 1st. These sales and purchases are in addition to the sales and purchases on account of the sinking fund, which will be continued as usual."

Col. Green Clay, of Bolivar county, is announced as a candidate for Congress in the Second District of

ty, is announced as a candidate for Congress in the Second District of Mississippi, vice Wm. KELLOGG, repudiated. A convention will be held at Pittsboro, in Calhoun county, on the 2d of October, to nominate a candidate for the district. The Aberdisen Examiner announces that Col. CLAY will speak at that piace, September to the district of the day of our redemption may finally arrive. But it can never come in any other nomenclature. By such a course, the day of our redemption may finally arrive. But it can never come in any other way. The principle of local self-overnment, as a sovereign right, was the foundation of American Independence. Massachusetts was the first to start it. And the cry responded from all the colonies: "The cause of Boston is the cause of us all!" Even in the day of the day of our redemption may finally arrive. But it can never come in any other way. The principle of local self-overnment, as a sovereign right, was the foundation of American Independence. Massachusetts was the first to start it. And the cry responded from all the colonies: "The cause of Boston is the cause of us all!" Even in the day of the d ery, somer or later, may surge over the land." The cause of Georgia is the cause of us all!"

A CHARGE was circulated during the war that certain silverware was taken by Gen. GRANT from the house HORACE GREELEY has found out of Mrs. Cox, of Holly Springs. Upon that for cotton culture small farms are what authority the charge was started. not the most profitable, and even goes | we have never known. We have reso far as to say that "On the planta- cently seen a statement contradicting tions of the South, long experience so far as the Grants are personally has settled upon a force of fifty hands concerned, and charging that the sil belonging upon a surface of about one ver was taken by the troops as wa thousand acres as the most profitable the common practice of the Federal division." That is the real truth. A common soldiers wherever they went run a gin; and several small planters articles was a silver waiter on which must always combine; or, what is the was engraved "MARY ANNESLEY. same thing, pay a wealthier neighbor 1755," which was the property of Mrs. ten per cent, of all they make to get BREWER, the daughter of Mr. Cox. Chronicle and Sentinel:

Mary Annesley was the wife of Genera William Moulfrie—he who planned, con-structed and successfully defended the fortress on Sullivan's Island in 1776 (

fight them behind the ruins;" and after a moment's pause calmly said: "I au resisted a fierce bombardment of more than ten long hours. At half past ten o'clock on the morning of the 28th of June, 1776, the battle begun. In the British fleet, consisting of forty or

garrison consisted of four hundred and thirty-five men, rank and file. The Brit-

whole fleet.
In the afternoon, Moultrie's little sup will give the necessary guarantees to open the road to through travel in six months. If the present condition and financial situation of the city demands eash, then cash she must have, and not notes. She must have all cash—one
